

Navigating a Spec Book PDF

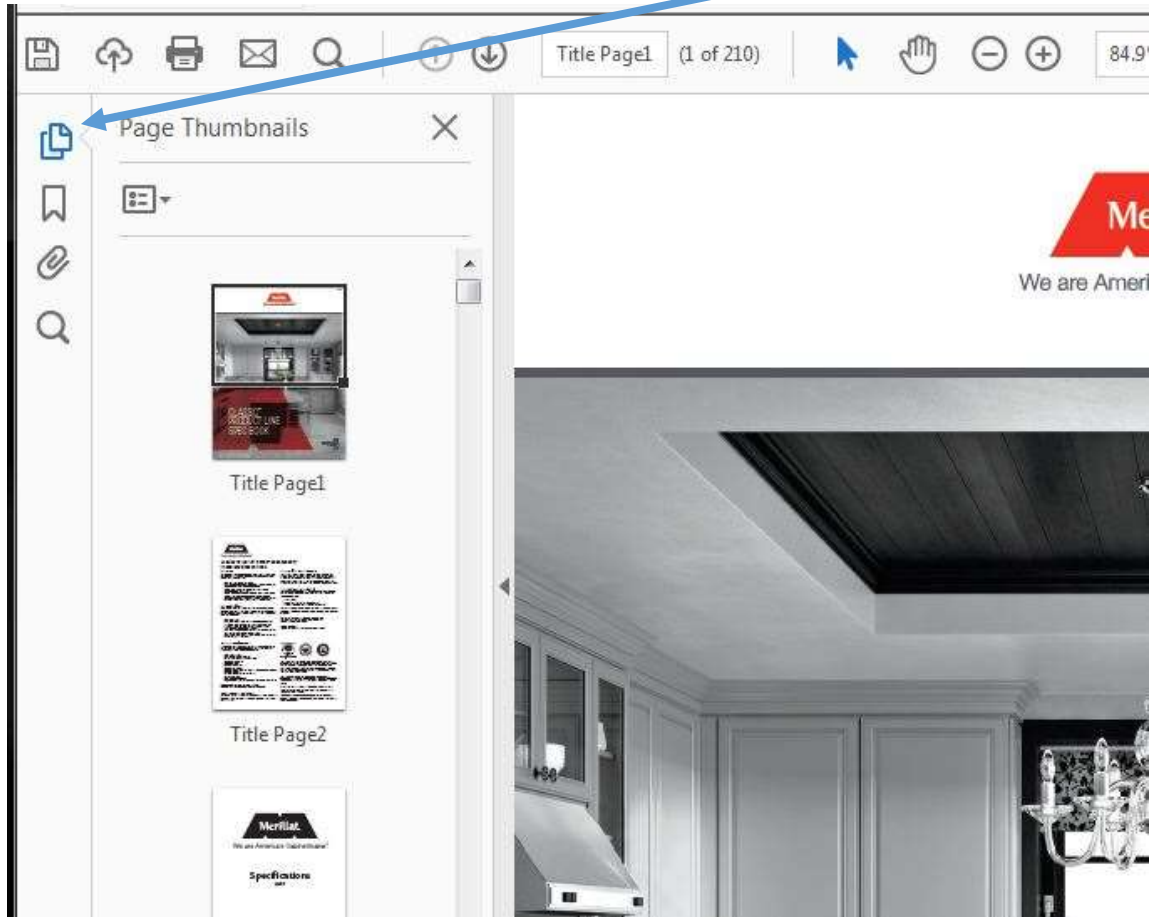

When viewing in a browser window, hover towards the bottom of the PDF until you see the PDF options box. Click on Acrobat symbol.

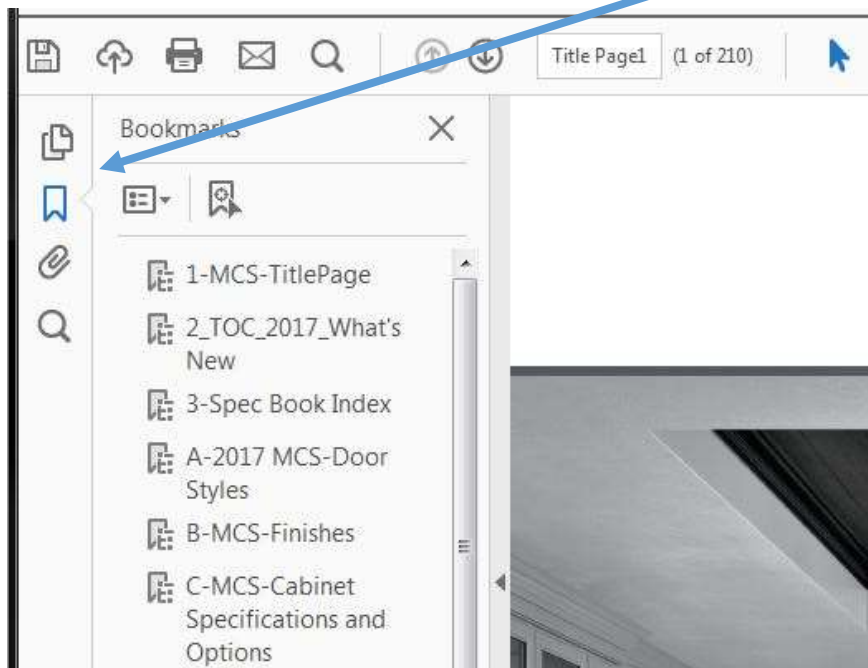

There are several different ways to navigate a PDF. You can navigate by Page Number by typing in box at the top of the page (eg. The current page is "Titlepage1")

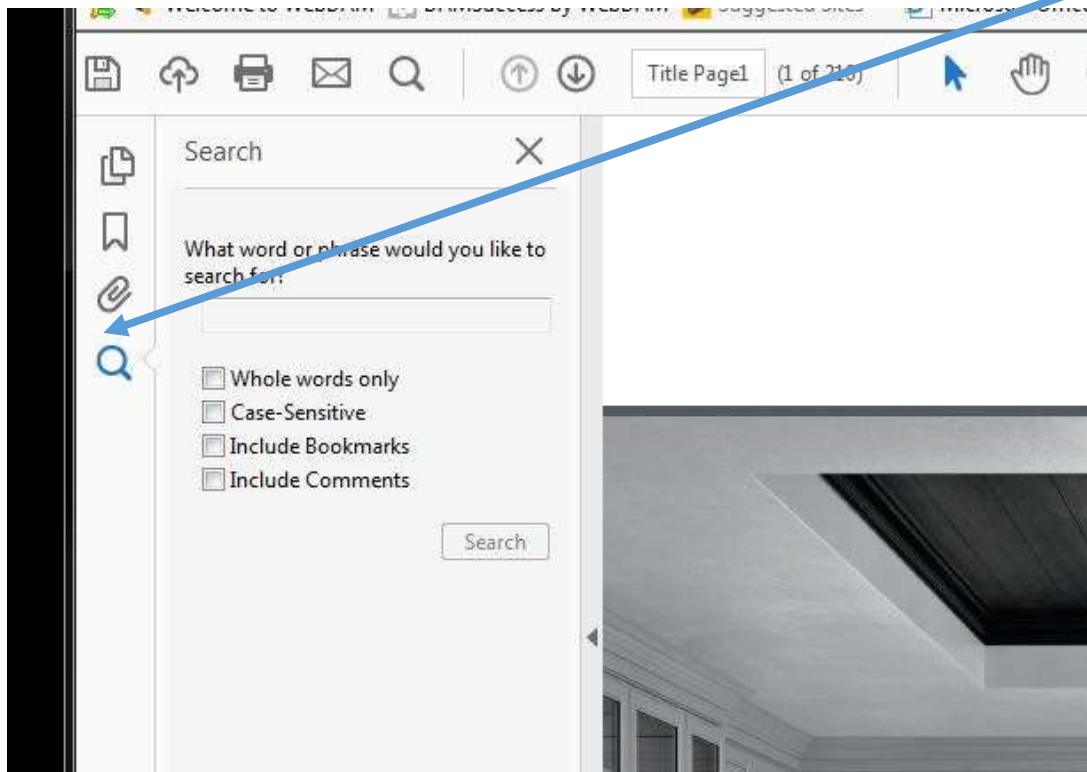

You can navigate the numbered thumbnails by clicking on page icon on left side.

You can navigate the bookmarks by clicking on bookmarks icon on left side.

When viewing in a browser, you can do a text search by clicking on search icon on the left and typing in the box under “What word or phrase would you like to search for?”.

You can also search by the “Find” command (Ctrl + F on your keyboard). A box will pop up to type your search word/words.
