

## Signature Series™

### Feature

### Benefit

---

Lifetime Limited Warranty on cabinets, hinges and drawer glides, Cabinetry compliant with the rigorous KCMA Certification Program.

Mid Continent Cabinetry® guarantees the quality and durability of their cabinetry. Component manufacturers stand behind their products, too.

---

Adjustable 6-way, self-closing, concealed hinges.

Cabinet doors adjust easily without remounting. Concealed hinges present a clean, finished look.

---

Four-sided plywood drawer box with self-aligning under mount drawer glides.

Under mount glides provide easy access and a furniture style finish.

---

**Upgrade option:** 5/8" Wood Dover Tail drawer with full extension, under mount cushion close glide system.

Drawers operate smoothly and quietly, with a soft close action.

---

3/4-inch adjustable wall shelves support 15-pounds/sq. ft.

Optimal storage capacity on sturdy shelves that stay in place.

---

Durable, hand applied finish on wood doors, drawer fronts, and face frames.

Furniture-quality finishing process provides long-lasting beauty.

---

Cabinet exterior and interior features laminate protection.

Cabinets clean easily, resist household stains, and stand up to everyday use.

---

Concealed, high-density 3/8" X 3" wall cabinet hanger rails and base cabinet stretchers.

Hanger rails and stretchers provide ease of installation and are attached to the back of all cabinets for a clean interior.

---

More standard heights, widths and depths than most cabinetry manufacturers.

Our cabinetry fits your project, instead of adjusting your project to fit our cabinetry.

---

Construction upgrades include plywood sides or All Plywood box construction, as well as numerous size options.

Upgrade your cabinetry with affordable, solid wood construction. Specify the dimensions you need to fit your design.

---

Design Options® includes the addition of accessories, mouldings or organizational features.

Designing for today's lifestyle is easy with the vast array of options. Whether it is functional, fashionable or a combination of both, your needs can be met with affordable choices.
