

PROJECT PROFILE

FAITH COVENANT CHURCH

Company/Project Background

Faith Covenant Church, located in Farmington Hills, MI has the primary goal to help students, senior adults, moms, dads, kids, singles, and married folks grow to become passionate, thoughtful and personal in their relationship with Christ. This project was a renovation to make improvements to their current building.

Products Used

Surfacing materials - Corian® Solid Surface and Corian® Quartz

Result/Solution

In order to complete this renovation, Corian® Quartz and Corian® Solid Surface were selected for various surfacing needs.

In the bathrooms, you'll find Corian® Solid Surface in Everest. The front desk in the lobby is Corian® Quartz in Lava Rock. Both have key characteristics in helping the space stay durable and clean.

Lindhout Associates Architects, located in Brighton, was tasked to give this space a new beginning by completely transforming it.
